

Development of Courtyard Garden 2021

Work Experience project driven by Applied Social Studies Lecturer Dr. Sheila McArdle and the Outdoor Education Students Michael Indreica and Patrick O'Halloran. Planning meetings took place to discuss designs, infrastructure and planting.

October 2020 to June 2021

This was a large gravelled area with a rather grey and depressing look. A survey on possible uses was completed. 3 Designs were produced and voted on. One was implemented. The project started after Easter and was completed in June 2021 with volunteer labour from staff, students and the Green Campus.
